

COSTS & FEES GUIDE – RESOLVE UK

We set out typical outline mediator costs below for a full day mediation allowing up to 7 hours. A mediator’s fees will depend upon matter complexity, value and the amount of preparation and mediation time required. We would encourage parties to provide us with outline details of the dispute and we will then be able to provide you with a mediation plan and cost guide tailored to your particular needs and circumstances.

Mediations can be conducted Online or in person at a Venue. We mediate throughout the UK.

Some of our mediators such as Russell Evans do not currently charge VAT which can be a considerable saving. You will be notified if VAT is applicable upon any fee.*

NOTE

- Different costs may apply if there are multiple parties or if a claim is less or more complex. Please Enquire.
- If parties require more than 7 hours mediation on the day additional fees will be charged for any overtime.
- Travel costs may on occasion be charged particularly if overnight stays are required. We do not however charge for travel time.

We will usually match or beat the overall fee of any similarly qualified and experienced mediator in the UK.

MEDIATION ENQUIRIES

When making enquiries please provide us with:

- Outline details as to the nature of the dispute and the live issues;
- the number of parties involved and whether represented;
- the value of the property, estate or claim and counterclaim;
- confirmation of any court proceedings and if so the stage reached and any important timescales
- any proposed period or dates for the mediation;
- the proposed location of the mediation or if online;
- an indication of the volume of documents that you would wish the mediator to consider
- any other details you think are relevant

We will usually match or beat the overall fee of any similarly qualified and experienced mediator in the UK.
